THE FIFTH TEST

England again asserted general superiority in the Fourth Test in Sydney last Saturday. Australia's team has been recast for to-day, although it must be stated that last week's eleven gave a praiseworthy exhibition.

One selection that met with the approval of Newcastle fans is that of Mayfield United's outside-right, Sammy North. Newcastle's influence on Australian Soccer football is clear when selections for the Test outside-right position are analyzed.

Wallsend's Dicky Kemp held the position for the First and Second Tests. Auburn (and former Westy star) Jock Hodge played in Brisbane, Kevin Lake of West Wallsend was capped in the Fourth Test, and Sam North plays to-day.

To-morrow at Wollongong, the match England versus New South Wales will conclude the most successful Soccer tour of Australia. All Australia congratulates our visitors on their unexcelled sportsmanship on the field.

It is for us to trust that some of to-day's English footballers will grace the playing fields of Australia again within the next few years.

ENGLISHMEN START SEASON SOON

★ The English team leaves Mascot for London next Wednesday morning at 11 a.m. They will have little over two weeks to prepare for the commencement of the 1951-2 English season, which kicks off on 18th August.

★ Bolton Wanderers' inside-left, Harry Webster, would not have been amongst England's Fourth Test scorers but for a mishap to Frank Broome, who was replaced by Webster after 34 minutes' play. Harry scored 3 goals. One shot travelled like a bullet into the net from 25 yards out. Although the ball went fast, the most impressive aspect was the way he took the pass and hit it like greased lightning.

★ Reg Flewin's readiness to coach South Coast schoolboys was much appreciated by schoolteacher Soccer expert Bill Simpson. And were those boys keen!

★ No greater back has toured this country than Bristol Rovers' Harry Bamford, who seems to draw the ball to himself like a magnet. Although Harry plays for a Third Division club, press reports dealing with the last English season indicate that he caught the English critics' eyes.

★ Syd Owen captained the English side last week, when they won the Jubilee Soccer trophy. The way Syd takes a ball in the air is an object lesson to all Australian players.

ITEMS OF INTEREST

★ Broken Hill S.F.A. claims to be the first Soccer Association to pay members of a touring team the basic wage. The Napredak club played two matches in Sydney, one at Manly and one against Sydney University.

★ Broken Hill secretary R. Alagich claims that South Australia has some good Soccer players. He says they only lack the fitness of New South Wales players.

★ Doug. Wendt's selection for Wollongong on Sunday is welcome. Probably the best left-back the State has produced for years, his style of play has many admirers.

★ A team of Victorian players will shortly leave for a tour of New Zealand. The team has been named the "Kangaroos", and includes many players of the Brighton club.

★ Congratulations to the following referees who have passed special theory tests. They are H. Lonsdale, A. Strachan, W. Geisker, R. Wright and R. Carr. Next hurdle is the field test.

★ Last week's premiership issue included a block of Bill Mahoney, with Wallsend in brackets. We're not usually that far behind the times, so this week we make amends by showing the correct club.

★ Sydney people — don't miss the Canterbury Club's social night at the Masonic Hall, Amy Street, Campsie, July 21st.

★ The N.S.W. Junior Football Association desires to express its appreciation to senior clubs for making their grounds available for the first round of the State Junior championship.

★ Eastern Suburbs have a capture in Peter Stone, a recent arrival from London, who played for Dulwich Hamlet in the Isthmian League. An inside-left, he is 21 years old and 11st. 11lb. A trial in the alliance showed Peter has superior ball control. Easts have also signed a Lane Cove product, J. Pittman, only 17 years old, and outstanding on the left wing.

It has been necessary to hold over many regular features until next week's issue. Competition tables, alliance teams, etc., will, therefore, appear again next Saturday in "Soccer Weekly News".

INTER-CITY SCHOOLBOY SOCCER CARNIVAL

To-day marks the commencement of the fourth annual secondary schools' Soccer carnival between Illawarra, Sydney and Newcastle. It is appropriate that the carnival should commence in Newcastle on the day when the English team, from the home of Soccer football, plays the Fifth Test here.

Each year the carnival, extending over six days, is conducted for under 16, 14 and 13 boys in Newcastle, Sydney and Wollongong, in rotation. People in those areas generously billet the 84 boys who participate. The P.S.A.A.A. arranges the itinerary of matches, tours of inspection, etc., down to the minutest detail.

Carnival winners are:—

Under 16	Under 15	Under 14
1947 Newcastle	1947 Newcastle	1947 Newcastle
	Illawarra	} aeq.
1948 Illawarra	1948 Illawarra	
1950 Newcastle	1950 Newcastle	1948 Sydney
		1950 Newcastle

Transport difficulties caused the 1949 cancellation.
This year under 13 grade replaces under 15 grade.

SUCCESSFUL SEASON

★ This season is proving the most successful in Newcastle for many years. Wallsend heads the Inter-City League, Adamstown are pressing for a semi-final position, with West Wallsend, Cessnock and Mayfield United well-placed on the table. East Lakes team is now specialising in shocking the leaders.

★ Goulburn Soccer players and officials have purchased a large playing field at Eastgrove, Goulburn, for £1,100.

★ Four Northern players are reserves for to-day's Tests. They are Bill Mahoney (Adamstown), Doug. Wendt (Adamstown), Hedley Parkes (Wallsend), and Phil Peters (Cessnock).

★ "Soccer Weekly" expert on British football, L. A. W. Pearce, advises that the Scottish season commenced last Saturday, 14th July, with a round of Festival of Britain Cup matches. Main results are: Aberdeen 2, Rangers 1; Celtic 2, Hearts 1; Hibs 3, Third Lanark 1; Morton 1, Clyde 2; Queen of South 3, East Fife 0; Raith Rovers 9, Queens Park 0; St. Mirren 2, Patrick Thistle 1.

THE SCHOOLTEACHER AND SOCCER

Have you ever considered the time the schoolteacher-coach devotes to teams playing in school soccer competitions?

Most teachers have not participated in soccer themselves and commence to coach with very little knowledge of the game. For some reason the F.A. coaching manuals and the books written by English aces fail to find their way into the hands of our teachers. It is only by questioning local stars and poring over sporting pages that a teacher gains the information which instils into his boys the scientific principles of the world's most-played football code—soccer.

Watch a practising teacher on the soccer field and you will see him appreciating the varied temperaments of his boys—humouring, encouraging, protecting and endeavouring to mould them into a complete whole as a team.

His afternoons, Saturdays and often part of his holidays are given ungrudgingly.

Being a member of a profession which is not over-paid, the teacher often goes without because he frequently puts his hand in his pocket for soccer. Naturally, boys are better off for passing through the hands of these intelligent and noble citizens. A teacher's reward for giving his time, money and heart without thought of compensation, is the sportsmanship, team-spirit, comradeship and successes of his team.

Soccer is deeply indebted to its schoolteacher-coaches because they

We can assure you it compares very favourably indeed with the football cases as at present used in this Country. We would say that the leather itself is a very fine product and should do admirably for the game in whichever Country the game is played.
